

**KEY BENEFITS**  
for joining FAABS

**Government Advocacy:** get your business concerns in the areas of food, agriculture and aquaculture heard by the highest levels of the Vietnamese Government through the use of powerful EuroCham platforms such as the Whitebook (annual advocacy publication), letters and events.

**Access to EuroCham's network:** access to publications across all 18 EuroCham's Sector Committees

**New Business Opportunities:** offers a unique environment to generate new business leads and prospects.

**Expert Advice:** have the best advice and knowledge at your disposal, through our members, our Government partners as well as our external advisors and contributors regarding food safety, laboratory testing methods, capability building, high tech agriculture, ingredient sourcing, import / export and certification.

**Privileged information and sharing platform:** regularly share information and updates on topics such as market size, growth and trend data in food, food safety, laboratory, agriculture, feed, and aquaculture industries.

**OUR MISSION**

- ▶ Improve the competitiveness of the Food, Agri and Aqua Business Sector in Vietnam.
- ▶ Improve food safety for humans and animals through a supply chain approach.
- ▶ Create a level playing field for small, large, local and international companies.
- ▶ Create a sustainable Food, Agri and Aqua Business Sector in Vietnam in the long term.
