HO CHI MINH CITY

An aerial night photograph of Ho Chi Minh City, Vietnam. The Bitexco Financial Tower, a tall skyscraper with a distinctive spire, is illuminated with purple and white lights and stands prominently on the right side of the frame. The surrounding city is a dense collection of high-rise buildings, many of which are lit up with warm yellow and white lights. In the foreground, a large, brightly lit fountain with multiple jets of water is visible on the left. The overall scene captures the vibrant urban landscape and architectural diversity of the city at night.
