# HO CHI MINH CITY

A nighttime aerial photograph of Ho Chi Minh City, Vietnam. The city is densely packed with skyscrapers and residential buildings, all illuminated with various lights. The most prominent feature is the Bitexco Financial Tower, which is illuminated with a vibrant purple and white light display. The tower's top section is lit with purple, while the rest of the building is lit with white. The surrounding city lights create a warm, golden glow, contrasting with the cool purple of the tower. The sky is dark, making the city lights stand out.
