HO CHI MINH CITY

A nighttime aerial photograph of Ho Chi Minh City, Vietnam. The Bitexco Financial Tower, a tall skyscraper with a distinctive spire, is illuminated in blue and white, standing out prominently against the dark sky. The surrounding city is densely packed with high-rise buildings, many of which are lit up with warm yellow and orange lights. The streets below are visible, showing a network of roads and some green spaces. The overall scene captures the vibrant and modern urban landscape of the city at night.
